## Grant Fund Request Guidelines

PLPHP Grant Fund strives to support all grant fund requests, due to limited funds not all requests are feasible. Please review the following guidelines before preparing your grant fund request.

1. Requests of funds can only be made to established Priest Lake organizations in current standing as a non-profit organization.
2. It should be recognized that there is a difference between want and need.
3. Proposals benefiting the wholeness of the Priest Lake Community shall have priority.
4. Requests for funding should indicate the approximate number of people who will benefit from the request.
5. It will be the responsibility of the organization requesting funds for multiple uses to show order of priority.
6. Grants will generally not be considered for continuing projects.
7. When funds are requested, this committee shall be made aware of other sources of funding, or aid in-kind, available to your organization.
8. The Grant Fund Committee will require copies of invoices as proof the funds were used in timely manner as outlined in the grant request form.

Please sign and return this form with the completed grant request, in acknowledgement of the grant guidelines.
